RE: Restriction of Hazardous Substance (RoHS) Compliance

To Whom It May Concern:

Stainless Steels supplied by Tempered and Specialty Metals are in compliance with RoHS directive 2011-65 -EU, including the scope change (RoHS3). Additionally, Tempered and Specialty Metals makes no intentional additions of the referenced substances in the materials supplied.

A handwritten signature in black ink that reads "Joseph Karl". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Joseph Karl
